CARL PHILIPP EMANUEL BACH - ANTONÍN KRAFT

BACH (C.P.E.) / KRAFT. Cello Concertos

Jean-Guihen Queyras, Ensemble Resonanz, Riccardo Minasi

1h45 1 CD HMM902392 August 2024

Moving from the *style galant* to the Age of Revolutions, this album is an invitation to discover half a century of the cello concerto's history. A few years after a sensational first volume devoted to C. P. E. Bach, Jean-Guihen Queyras, Riccardo Minasi and Ensemble Resonanz pay tribute to the hypersensitivity of the cello and honour with panache the transcendental virtuosity of the unjustly overlooked Antonín Kraft!
