SIGISMONDO D'INDIA

Madrigali e Canzonette

Maria Cristina Kiehr, Concerto Soave, Jean-Marc Aymes

1h04 1 CD HMA1951774 January 2014

Sigismondo d'India, 'nobleman of Palermo', as he called himself, composer, singer and poet, was a true child of dawning century. Like his great contemporary Monteverdi, he succeeded in integrating polyphony into the new monodic style. But it is above all in his *Musiche da cantar solo* that he showed his measure as an innovator. These madrigals for solo voice, selected from around a hundred works he wrote in this genre, provide dazzling evidence of the fact. This title was released for the first time in 2003.
