## MOZART / Requiem

Pygmalion, Raphaël Pichon

1h13 1 Vinyl HMM332729 October 2024

The sublime reflection of a human being facing the end of life and what comes afterwards, Mozart's Requiem reaches beyond the realm of music to attain universal resonance. Raphaël Pichon's interpretation of this testamentary work, nurtured by a seminal experience with stage director Romeo Castellucci and punctuated by earlier sacred pieces of Mozart, is overwhelmingly moving.
