Les Percussions de Strasbourg

0h44 1 CD HMA1955185 December 1995

'We are in a better position today to evaluate the incontestable pioneering achievement of the Percussions de Strasbourg, after all that the ensemble has demonstrated in the possibilities of sound production, after the artistic creativity it has engendered, after what it has done to bring the listening public closer to contemporary music, and finally contributed to the development of instrumental writing. A motivating, decisive role.'

PHILIPPE AVRIL, 1987

This title was released for the first time in 1987.
